

Apprentice Open Day 2024

We're excited to invite you and up to four of your pupils to join us for one of our Apprenticeship Open Day sessions which will give you an insight into our range of apprentice schemes in Dumbarton and Central Glasgow.

Wednesday 6 March 2024

Session 1: 10am – 12pm

Session 2: 1pm – 3pm

Aggreko, Lomondgate Roundabout, Stirling Rd, Dumbarton G82 3RG

What will the pupils gain from attending this event?

They'll get to see firsthand what it's like to work at Aggreko. Spending time with current and past apprentices and apprentice mentors, they'll hear all about their career journeys and experiences at Aggreko. And of course, we'll take everyone on a behind-the-scenes guided tour of our Lomondgate production facility, to see our people in action and learn more about our products and business.

We want everyone to feel comfortable at our open days so if you or your pupils need any reasonable adjustments, please mention it in the form and we'll be in touch ahead of the day.

RSVP by 1 March 2024: qrco.de/app2024

Explore our 2024 apprenticeships in Scotland
